SPEAKERS

Douglas McVicar, MD

Chairman, NH EMS Control Board

Dr. Douglas McVicar is a long-time E.D. physician with Speare Memorial Hospital in Plymouth and is well known for his accomplishments in changing the face of New Hampshire EMS. He is currently the chairman of the New Hampshire EMS Medical Control Board and has given his time and energy to countless projects in order to enhance the New Hampshire EMS and Trauma System.

Kevin L. Jutras

Lt. Engine 8 Group D – Providence Fire Department

Lt. Kevin Jutras is a well known presenter on Hydrogen Cyanide exposure. Lt. Jutras is the 2006 Co-Author of the Providence Fire Department Investigative Report on Hydrogen Cyanide exposure of department members. He has presented at the Providence Fire Department Safety and Survival Conference, EMT Week - North Las Vegas, National Fire Academy, Firefighters last Breath Seminar, and the Massachusetts Hazardous Material Technician Conference.

Steve Achilles

Assistant Chief – Portsmouth Fire Department

Chief Achilles currently serves as the Assistant Fire Chief of Operations and Training for the City of Portsmouth Fire Department. He has been an active member of the fire and emergency medical services for over 25 years. His professional experience includes certification as a Paramedic and Executive Fire Officer, along with presenting and teaching a variety of EMS and Fire programs.

Kevin J. Reilly

Ridgewood New Jersey Fire Department and President of the Cyanide Poisoning Treatment Coalition

A member of the Ridgewood NJFD; FDIC H.O.T. Instructor; member, Board of Directors, Fire Safety Directors Association of New York City; subject matter expert for *To Hell and Back IV – Cyanide Poisoning*; EAP writer and High-Rise/Life Safety consultant in New York; co-founder of www.FirefighterSafety.net. Kevin has also been previously published in *Fire Engineering*, “Chronic CO Poisoning in Firefighters” (June 2006) and “Rethinking Air Management (April 2008).
