

On behalf of the Wakefield NH Fire Department, we would like to invite your town Public Safety officials to play in our...

## 1<sup>st</sup> Annual 9-11 Tribute Softball Tournament

We are starting this tourney as a fun way to get public safety personnel together for some action packed fun, and all for a good cause. 2011 marks the 10<sup>th</sup> anniversary of 9/11. What better way to remember the many public safety officials and civilians that lost their lives 10 years ago, than to get together, remember, and play some ball... with half of team entry fees being donated to a 9-11 Charity.

I have attached a registration form and a sign-up sheet. If you wish to participate in the tournament please fill out the registration form and return it to the address listed. I have included the sign-up sheet for you to display within your department. You do not need to return the sign-up sheet, but please have a roster available for game day.

We look forward to having you attend this event!
